

2019 Property Tax Breakdown

Atlantic Highlands

Municipal Tax Rate

The 2019 Municipal budget had NO MUNICIPAL INCREASE. The Borough continues investing in our municipal infrastructure, its employees, new technology and innovative ways to increase productivity and efficiency while trying to maintain the level of service our residents expect and deserve. Over the past many years, there has been no cut in municipal services.

Budget highlights include:

- *Needed equipment and maintenance for public works, fire station and police.*
- *Infrastructure / road improvements including Third and Fourth Avenues with another 1 million-dollar project to follow.*
- *Completed paving projects with State and Federal grants totaling over \$350,000*
- *Continuing to aggressively apply for and receiving State and Federal grants.*
- *Return of 1.1 million dollars from Municipal Harbor Utility operations.*
- *Cost savings by joining cooperative agreements throughout New Jersey*
- *Executing shared services agreements with municipalities and Monmouth County*
