PB20-01 Tahamont/Tenney Block 132, Lot 10-108 Bay Ave- Application for Bulk Variance

Mr. Steib announced that service for this application was in order and the board had jurisdiction to hear the application. Mr. Steib listed the exhibits which to his knowledge were to be presented: A-1 Zoning Review of Zoning Officer Michelle Clark dated January 9th, 2020; A-2 Application of Elise Tenney and Vincent Tahamont dated January 7th, 2020; A-3 Survey prepared by Richard A. Stockton & Associates dated May 4th, 2020; A-4 Survey prepared by Richard A. Stockton & Associates prepared May 4th, 2019 with Hand-Drawn Mudroom Location; A-5 Construction Drawing with Elevation and Floor Plan dated January 2nd, 2020; A-6 Review #1 of CME Associates dated January 21st, 2020.

At 7:09pm Elise Tenney and Vincent Tahamont, 32 Center Avenue, Atlantic Highlands, were sworn in. Mr. Tahamont presented Exhibit A-7 Board Exhibit with Photograph of Side of Home, a Public Notice, and Elevation and Color Elevation Renderings. Mr. Tahamont made it known that the existing mudroom is about 4.5 feet off the side of the house and currently has no doors. Mr. Tahamont also made it known that he was proposing to build the mudroom out to 5.5 feet off of the side of the house and enclose it with a door. Mr. Tahamont stated that the house is small, with little closet space, and the mudroom will be located off of the driveway, so the door will be used for entering and exiting the house. Mr. Neff asked Mr. Tahamont to confirm that he is not building back further, he is just bumping the structure out, Mr. Tahamont confirmed yes, they are bumping the structure out one foot. Mr. Neff asked if the structure will extend past the house, Mr. Tahamont confirmed no, it will not. Mr. Neff asked if there will be room in the driveway for a car to get past, Mr. Tahamont confirmed yes, and if necessary two cars could be fit in. Mr. Caccamo asked Mr. Tahamont to confirm that the proposed structure won’t take away from parking, Mr. Tahamont confirmed, no, the proposed structure will not take away from parking. Mr. Rohmeyer asked Mr. Tahamont to confirm that the footprint of the proposed structure is 5’ 6” by 8’, Mr. Tahamont confirmed yes, that is the footprint. Mr. Rohmeyer made it known that the required side yard set-back is 10’, and the proposed set back is 6.6’. Mr. Rohmeyer also made it known that the staircase may require a landing, and Mr. Tahamont stated that he will add a landing if necessary. Mr. Rohmeyer made it known that there may be a building code requiring a landing, and asked the board if they were comfortable with approving the application on the condition that a landing may be required. The Board agreed to this. Mr. Colangelo pointed out that there were two sheds indicated on the survey of the property, Mr. Tahamont and Ms. Tenney made it known that one of the sheds had been removed. At this point Mr. Colangelo called for
Board discussion. Mr. Colangelo stated that he believed they are improving the floor area ratio of the home. Mr. Pepe stated that he believed they are improving access to the house.

MR. DOUGHERTY MOVED TO Approve PB20-01, SECONDED BY MR. PEPE.
