**Committee Reports:**

- **Basketball** – Practices have started for the teams. Games begin in January. Adam spoke with custodians and we are paying \$30 per hour for Saturday.
- **Christmas** – Tree Lighting went well. Leftover cookies and juice to be used for Basketball Shoot-out competition. Held choir singing inside Firehouse due to weather. Worked out very well. MTM Dance Factory performed.

**NEW / OLD BUSINESS:**

- **Youth Commission** – Will we have new reps? Jacqui is working on having reps for meetings.
- **January 5** – Budget Meeting
- **Falcon Sports** – Discuss offering T-Ball for ages 3 -6 in spring at Center Ave Field. Use Fee?? To be discussed further.
- First Serve Tennis will be offering spring tennis lessons at AH Municipal Harbor
- Summer Recreation – Karen to speak to AHES Board of Ed about having Summer Rec at school. We are requesting to use playground and cafeteria.
- Broadway Shows – Check into February / March. At this time, the cost of a bus and tickets for a show are very expensive. It would be close to \$100 per person and those seats are not good. Maybe early spring we can get a better deal.
- New members for AHRC??? Any thoughts??
