**Committee Reports:**

- **Yoga lessons** – Little Sun Yoga will be offering Yoga classes for adults in the harbor gazebo beginning July 6. If the fair is not cleared out by then, the first class will be postponed / rescheduled.
- **KidzArt** - Last class was this week. Had mixed reviews from some participants. The class may have been geared for older children.
- **Garage Sale** – Need to find out who has signs and collect them in one location for next year. We had ordered 30 the beginning of last year. Need better advertising and signage for next year. Banner across First Ave? Rent billboard space for month? Large 4' x 4' signs posted in key locations.
- **Youth Soccer** – 177 kids registered so far. This time last year had almost double...is it the economy? Will people register late? Need to look at numbers / ages of those registered and who is not returning. Darlene to create flyers to be sent home through AH & H summer rec programs to remind people to register.
- **Summer Rec** – 64 enrolled in Summer Rec, (2) for girls basketball, (1) Field Hockey, (9) Boys basketball, (2) Soccer, (14) Tennis. Each clinic needs minimum of 6 kids registered per “session”. E-mail went out to all instructors hoping for them to spread the word for people to register. June 19 is deadline for all clinics. Maybe next year, call clinics “Intro to\_\_\_\_\_”. May be more inviting to some children.
- **Summer Concerts** – No update

**NEW / OLD BUSINESS:**

- **Budget Update** – Waiting to hear back from State on budget.
- **Summer Movies** – June 19 Bedtime Stories & end of school year celebration. AHES PTO giving students one free slush coupon for the vendor who will be there. July 16 Kung Fu Panda, August 20 Beverly Hill Chihuahua. All movies begin approximately 8pm. Rain dates are the following evening.
- **Cowtown Rodeo** – No messages or inquiries for this event.

- **Keansburg Water Park Day** – Several messages were left and no one returned our phone calls. The first movie night will be a “celebration” for kids.
- **Lakewood Blueclaws** – Darlene to look into possibility

**NEXT MEETING July 9, 7:30pm @ BOROUGH HALL**
