Improvements to Hill Road, Avenue B and Misc Drainage Improvements

NOTICE TO RESIDENTS

October 9, 2024

Our File: HAH00612.01

Dear Resident: On behalf of Borough of Atlantic Highlands, we are hereby notifying you that paving work associated with the ‘Improvements to Hill Road, Avenue B and Misc Drainage Improvements’ project will begin the week of October 14, 2024, weather permitting. This project generally consists of resurfacing portions of Avenue B, Hill Road, and the intersection of Prospect Road, Hilton Road and Bayside Drive. Hill Road will also be receiving sanitary sewer improvements near the intersection with Ocean Boulevard

The contractor, Fiore Paving, will be coordinating with the Borough regarding traffic control. At times, roadway access to your property will be temporarily unavailable due to the nature of this work. Should you need to make prior arrangements to move your vehicle from the roadway, please do so as soon as possible. Additionally, large delivery vehicles will not have access beyond the construction machinery during working hours.

PLEASE REMOVE ALL CARS FROM BOTH SIDES OF THE STREET DURING THE CONSTRUCTION PERIOD.

Our office will have a representative on-site during construction to monitor the contractor’s activities. On behalf of the Borough, we would like to thank you for your anticipated cooperation in this matter and apologize in advance for any inconveniences that may be caused during the construction while we complete this necessary capital improvement.

Should you have any questions, please call the Engineer’s office at (732) 462-7400.

Very truly yours,

CME Associates

Douglas M. Rohmeyer
