

PUBLIC NOTICE
ATLANTIC HIGHLANDS
FIRE HYDRANT FLUSHING

The Atlantic Highlands Water Department will conduct its semi-annual flushing of the entire water distribution system on October 20, 21, 22, 23, 24, 27, and 28 if needed, from 10:00 pm – 2:00 am on all dates.

During this time temporary discoloration of water and a decrease in pressure may be noted as a result of the opening of fire hydrants. By turning on your cold-water faucet, this discoloration should clear within a brief time.

If you have any difficulties contact our office at 732-291-1444 ext. 3701.
