Atlantic Highlands 2022 Road Program

NOTICE TO RESIDENTS

March 3, 2023

Our File: HAH00610.01

Dear Resident: On behalf of Borough of Atlantic Highlands, we are hereby notifying you that paving work associated with the 'Atlantic Highlands 2022 Road Program" project is anticipated to re-commence the week of March 6, 2023, weather permitting. This project generally consists of resurfacing of portions of Wesley Ave, East Mount Ave, Chapin Ave, Cross Ave & First Avenue, including replacement of some curb, curb ramps and drainage upgrades. This project also includes improvements to curbing along a portion of East Highland Avenue.

The contractor, Mecco Inc., will be coordinating with the Borough regarding traffic control. At times, access to your property will be periodically unavailable due to the nature of this work. Should you need to make prior arrangements to move your vehicle from the roadway, please do so as soon as possible. Additionally, large delivery vehicles will not have access beyond the construction machinery during working hours.

PLEASE REMOVE ALL CARS FROM BOTH SIDES OF THE STREET DURING THE CONSTRUCTION PERIOD.

Our office will have a representative on-site during construction to monitor the contractor's activities. On behalf of the Borough, we would like to thank you for your anticipated cooperation in this matter and apologize in advance for any inconveniences that may be caused during the construction while we complete this necessary capital improvement.

Should you have any questions, please call the Engineer's office at (732) 462-7400.

Very truly yours,

CME Associates

Douglas M. Rohmeyer
