- 1 Not sustained

In addition, one (1) complaint that originated during the 2018 calendar year, was completed in 2019 which stemmed from an internal complaint within the organization. The disposition was found to be sustained.

Internal complaints usually originate from a front-line supervisor detecting deficiencies in an officer's performance, a policy violation, being involved in a motor vehicle crash while on duty operating a department vehicle, or deficiencies identified through routine inspections conducted by the internal affairs unit.

In accordance with reporting requirements outlined in the New Jersey Attorney General Guidelines Governing Internal Affairs Policy and Procedures, there were no complaints where a fine or suspension of ten days or more were assessed to a member of our department in the calendar year 2019.
