Additional Narrative

Narrative Prompts: A detailed assessment as to whether representation has improved for any previously identified underrepresented groups
A description of the data used to determine the existence of any underrepresentation.
Any new or modified Program goals to be implemented in the upcoming year

In 2023 we did not hire or promote any new officers to the department. The current roster in this department meets or exceeds current demographics in our community. Where the department could improve on is the gender of our officers as we have 14 male officers with 1 female officer. This is due to low application submissions from females. In order to reach more females to apply, we have attended job fairs in the past which we will continue to do and we will review the Monmouth County Chiefs Test list for qualified applicants in the future.
